9:00 am

Pine Lake Community Fireworks Display (2011 and beyond!)

The raffle and direct donations have been the primary sources of funding the fireworks. We know that some do not want to participate in raffles or other fund-raising that might be considered games of chance. As with many issues that arise concerning life at Pine Lake, we really do not know how many feel that way. Quite a lot of people have donated or will donate directly to the Fireworks Fund. Each of you who have and will donate to or buy tickets for the fund are the only reason that they have continued each year.

Cash donations to the Raffle are down this year. Economic times are hard and many businesses that have given in the past are not doing so this year. They are saying "maybe next year". When you see the list of those who have chosen to contribute, you should thank them personally or through your use of their goods and services. If you think it is important to continue the annual Pine Lakes Fireworks Display and are able to contribute or buy tickets, please do. If you have any idea(s) for raising funds for next and following years, please introduce them to your neighbors, Area Directors, or use the website (pinelk.org), the newsletter, email, or telephone calls. Grab the bull by the horns (or the gator by the tail) and introduce your plan to the community.

Because of persistent and generous, hard work by Katie Seibert, Dawn Ogden, Scott Cook and Shawn Deibold we do have numerous prizes already this year. The first, second and third prizes this year are \$400, \$200 and \$100 respectively. We are constantly getting more prizes of pizza's, breakfasts, ice cream, dinners, and others that will be listed or posted and can be accepted even more until just prior to the drawing. The raffle drawing is scheduled for July 3rd at 4:00 on the beach front at MCTI. Tickets are \$2.00 each or 6 for \$10.00. You will

be able purchase tickets at Diane's Pine Lake Diner and at Pine Lake Grocery. We have plans to mail tickets, if we have enough volunteers to do so. If you need tickets to purchase or sell you can call me at 664-6059.

Over the years, many residents have worked diligently to do something that they thought was special for our community. That list starts with Phil Wineland, Marv Anson, and many more that I wish I could recognize. In recent years, Brenda Maher, the Strattons, the Stancatis, and others have "encouraged" everyone to buy tickets for the Raffle. Our first, floating DJ in 1997, Scott Cook, inspired many to buy tickets and donate directly after his surprise show before and during the Fireworks display. I wish I could credit everyone who has made this such an important and well-known tradition.

Between now and March of 2011, the people of Pine Lake will have some choices to make. The people of Pine Lake can provide encouragement, ideas, donations, effort, or (?) toward the July 2011 fireworks display. We have a very nice community, many wonderful people, and will soon have some new PLA officers with lots of energy and ideas to add to those already involved. Your input, if not physical or financial support, will join with theirs to determine the future and degree of the 2011 (and beyond) Pine Lake Community Fireworks Display. You are very important in determining the direction that we take.

Chris Harper
Fireworks Raffle Committee, 664-6059

JULY 4, 2010

Turtle Race -

Bring your own turtles, or RENT-A TURTLE, come early if you want to rent one because were limited on turtles. 3\$ to Rent, bring your own and race for Free. July 4th at MCTI. Registration is 1:30 to 2:30, at 2:30 the Race begins, based on last years numbers we should have 10 different Heats, and a Grand Prize winners heat after that. Even if they don't win all the kids get freeze pops. No turtles with shells over 12 inches, and Absolutely no BOX TURTLES they're practically endangered. Try to avoid Snapping turtles. We will provide the turtles with thier identification. T-shirts and Souvenirs available, Which fund all improvements to the racing equipment and supplies. This year is my 10 year anniversary hosting the Race. So look for the new Turtle Mascot to get your kids picture

with. For more information Nancy Glibson can be reached at 269-743-9248

**FUN! PRIZES! THIS YEAR'S THEME:
ONLY IN AMERICA
Everyone welcome - no entry fee.**

AROUND THE LAKE...

Congratulations to Mr. and Mrs. Phil Dunlop (Lake 2) on their 65th Wedding Anniversary May 1, 2010. They were feted at an Open House at the Barn on Pine Lake Road. Best wishes and many more happy years to them at Pine Lake.

Sad to see them go...Doug and Dianne DeYoung (formerly of Lake 3) recently moved to Plainwell, leaving all of us to miss them here at the Lake. Congratulations on their lovely new home and also the arrival of a new grandchild, Alison, on April 30.

On the recovery list: Bruce Goplen (Boniface Point) is recovering from knee surgery. Kathy Burnham, (Sycamore Point) is recovering from wrist surgery and still did a fantastic job with contacting our advertisers. Get well wishes to all our friends and neighbors with health concerns.

Happy Birthday - "Stubs" Chamberlin. (Mar-Bil Marine) We hear there was a big party for a BIG birthday!

Happy Retirement Dave Riegel. Here's to lots of happy times to come at Pine Lake for you and Pat.

New Neighbors are coming - SOLD signs have

gone up - one on Center Street and one on Boniface Point Drive (Private Drive). Let's be a welcoming community and introduce ourselves when new folks move in.

Party on! If you've seen the pontoon boats rafting together on Lake 2 on a summer weekend - Dawn Ogden (Sunset Road) says, its not an exclusive club! Pull up and join in. Everyone brings a snack to share and it is a totally informal 'whoever shows up' kind of thing. You're welcome to swing by and say hi!

Point Picnics - Several areas are planning "Point" or "Lake" potlucks or barbeques - it should be a fun summer!

Isn't it fun to catch up with your friends and neighbors on the Lake? Would you like to be the PLA "Roving Reporter"? Anyone who is interested in people and events is welcome to keep all of us informed about 'goings on' at the Lake. Interested?

Reply to newsletter@pla.org or call Lana at 664-5718.

PRAIRIEVILLE TOWNSHIP NEWS

Now under consideration by the Board is ordinance regulating the free standing wood burning type of "outdoor" furnaces. The initial wording, presented at the May 12, 2010 Township Board meeting, was to ban these types of furnaces in any area designated R-2, which is all around the lakes. There are strong opinions pro and con regarding these alternative heating sources. Let your township officials know what you think before the ordinance becomes enacted.

Long time Trustee, Bill Miller has resigned. Bill had been the liaison for Pine Lake with the County Drain Commissioner. Jim Stoneburner accepted responsibility to keep in contact with the Drain Commission as Bill had done. Hopefully, Pine Lake residents will not be surprised with another special assessment due to neglect of the Pine Lake pump in the future.

There are now only two remaining elected officials who would be affected by the recall: Supervisor Jim Stoneburner and Clerk, Jill Owen. The two new trustees who were appointed to fill vacancies left by Sharon Ritchie and Bill Miller are Jim Grundy and Rod Goebel.

Recycling bins are available the 1st and 3rd weekend of each month at the township hall. A complete schedule of dates was recently mailed to residents, along with the dates of the regular Township Board meetings.

All township officials can be contacted through the website: www.PrairievilleTwp-MI.org, or call the Township offices, Monday-Thursday 269-623-2664.

PINE LAKE ASSOCIATION ELECTIONS

Officers are **needed** for the
PLA 2010-11 year beginning June 19, 2010

The following candidates have offered to
serve:

President: Scott Cook
Vice-President: Eric Hibma
Secretary: **Position Open**
(1 possible candidate)
Treasurer: Marilyn Cook
Sargeant at Arms: Ed Kornetti

Secretary: Takes minutes of meeting and submits them for the website and newsletter. Prepares labels for mailings, inputs and keeps computer records of residents and/or members. Would be the logical person to also take over as newsletter chairperson and keep the email mailing list. Answers and prepares correspondence for the Pine Lake Association. Checks the PO Box in Plainwell

Treasurer: Makes deposits, writes checks, assures that the annual liability insurance is paid. Tracks dues from membership and coordinates with the Sergeant at Arms for those who are members in good standing. Prepares the budget and annual report. Checks PO Box for bills and checks, other correspondence.

There are only 5 scheduled meetings/year:
April
June (Annual Membership Meeting)
August
October and
February

You will find lots of help and good organization from the previous officers. If you have an interest, please call:

Lana Langone at 269-664-5718 to run or to nominate someone; or declare your candidacy at the Annual Meeting
June 19th at 9:00 a.m. MCTI Lodge.

Director Positions open include: Sycamore Point and Center Street as well as several other lake areas. Directors act as liaisons for their neighborhoods back to the PLA, coordinate social events for their areas and welcome newcomers to the Lake. There are 35 total Directors possible per By-laws. Why not you?

AND THANK YOU! to our outgoing officers: Don Harper, President; Jaci Dalke, Secretary; and Dianne DeYoung, Treasurer.

You dedication and hard work has made Pine Lake a better place to live and enjoy.

BARRY COUNTY MARINE DIVISION SAFETY PRESENTATION

On Saturday May 15, Captain Johnson and Sergeant Jones of the Barry County Sherriff Department made an excellent presentation to a disappointingly small group of Pine Lake residents. Here are some of the highlights of the information presented:

If you are witnessing a dangerous situation, for example, an obviously intoxicated person operating watercraft, PWC operating dangerously or other incident that needs the Marine Patrol to respond: Call the **non-emergency 911** number @ **1-269-948-4800** Press **1** for Dispatch. Make note of this number. This will get the closest responder available to your situation, rather than just the Barry County Marine division which may be over an hour away.

For Emergencies use **911**

Missing child: Most people do not want to check the shore because they are afraid they will actually find the child in the water. **CHECK THE WATER FIRST!** And don't hesitate to call **911 as soon as the child goes missing**. Captain Johnson recounted that in his personal experience, one child had been under water in cold temperatures for upwards of 45 minutes and recovered with no brain damage. Time is of the essence! Call as soon as possible - it takes time to assemble and dispatch a dive team.

If you call 911 - LEAVE THE LINE OPEN
Head of the Marine Division for Barry County lake patrols is Sgt. Julie Jones @ jjones@barrycounty.org

Answers to some of the residents' questions:

How long can a dock extend into the lake? The DNR has final say over this matter, however there is no legal "length" set for docks. Keep in mind that Riparian rights extend to the middle of the lake so your "area" narrows to a point at the center of the body of water. You may not infringe on your neighbors' rights. The Pine Lake Association has no legal or other jurisdiction regarding property rights or use.

Can I drink alcohol while driving my watercraft?

Yes. However, the driver may not be driving under the influence of drugs or alcohol. Regardless of the legal limit for "impaired" or "intoxicated", keep in mind the most, perhaps 95% of tragedies on the water involved drinking while operating a motor craft.

Can I use my Docking Lights anytime? Keep in mind that Docking Lights blind other boaters. Please use them for docking or limited use such as navigating a part of a shallow channel or other hazardous situation.

When you say Life Jackets must be "accessible", what does that mean? In a sinking or crash situation, ideally the life jackets would be throw clear of the vessel and could be used in the water. Having life jackets in plastic, under the seat, sealed shut is NOT accessible.

How long has a "throw-able floating device" been required on board? Decades! This can be as simple as a floating seat cushion that could be thrown to someone in the water. A ring or cushion that is on a line makes it easier to get that device to the person in the water and allows a "2nd try" if the cushion or ring doesn't get to the person when thrown.

How can I brush up on my knowledge of boating laws and responsibilities? Go to www.boaterexam.com. It's free and great for all ages. If you need to take the accompanying exam for a boater certificate it will cost \$30 and you will have to present proof of passing to Sgt. Jones in Hasting. Or take the Boater Safety course at no charge:

Boater Safety Class – Held annually on the last Saturday of June, at Shady Shores Resort on Gun Lake. The resort is located on Patterson Road 1.3 miles south of M-179, and across the street from Premiere Motors.

The class begins at 9:00 am and runs until approximately 3:00 pm, with an hour given for lunch. No pre-registration is required; however you should bring a sack lunch and a pencil. A test will be given at the end of class.

DUPLICATE SAFETY EDUCATION CERTIFICATE REQUEST

If you have previously completed a Michigan Marine Safety Education Course, and your original certificate has been lost or misplaced, please fill out and submit the form, available by going to : <http://www.barrysheriff.com/> You may also apply for a duplicate certificate by phone or mail. There will be no charge for this service. If you would like to apply by phone, call (517) 373-3292.

**"COULD THIS BE THE PINE LAKE NEWSLETTER OF THE FUTURE?.....
PINE LAKE 2012 - READ ON...**

Pine Lake Association Special Edition 2012 Newsletter (Hey, it could happen!)

PINE LAKE ASSOCIATION GIVES SCHOLARSHIP

A. B. Student received the annual Pine Lake Association Scholarship to study marine biology at Whatssmatta U. The newly established annual award was given at Delton High School Senior Awards ceremony last Saturday night.

RIBBON CUTTING FOLLOWED BY FIRST WEDDING RECEPTION
AT THE PINE LAKE ASSOCIATION BUILDING

The opening of the beautiful new Pine Lake "Lodge" building where all Association meetings will now be held took place on Someday the 19th, 2012. The former State of Michigan property on Pine Lake Road which was purchased by the PLA is now home to the lovely and "green technology pride" building nestled on this exceptional property. The wedding reception of Ms. Gotta Hava Mann and Mr. I.M. Dunfore was held the following Saturday. All remarked on the beauty of the building and the surroundings.

100 % MEMBERSHIP FOR PLA IN 2012

A fun place to belong, a community dynamo for good works and supporting good times - these were some of the reasons given that this year every property on Pine Lake joined the Association. The additional dues will help increase next year's Pine Lake Scholarship and events.

ANNUAL "FLOAT IN"

Pontoons and boats are the mode of the day for this year's Float In - an informal gathering on the lake at the Pine Lake Property Lake #2. The Association Lodge will be open that day for necessary rooms, and use of the kitchen. Rafts may tie up anywhere in front of the PLA property for good fun, good company and good conversation.

"P" Island Dedication

The recently restored Island in Lake #4 - for years the "gathering spot" for Lake 3 & 4 - will be Dedicated to the residents of Pine Lake on Whataday 12, 2012. The now combined offices of the DNR and DEQ will be on hand to receive the award from the PLA for their part in this landmark one of a kind restoration project. Trees donated by Lots of Trees Nursery, Inc. Thanks to all!

RECORD ATTENDANCE AT 4TH OF JULY EVENTS

Due to all the volunteers who made so many projects possible there was record attendance at all the activities!

HISTORIC PINE LAKE DISPLAY TO OPEN

The committee announces that the huge display of Pine Lake memorabilia, pictures and stories from long time residents will be at its permanent home at the PLA Lodge starting ThisDate, 2012. Many hours went into making the history of Pine Lake come alive - free for all to enjoy...

And don't forget-Pick up your annual edition of the Pine Lake Lake-Wide Directory!

**OK, MAYBE NOT ALL OF THIS COULD HAPPEN - BUT JUST THINK!
WHAT COULD THE PLA BE IN THE FUTURE? IT'S UP TO YOU!**

Vice President's Corner

We, as an association, have realized that the past several years have brought controversy, disagreements, an economic downturn, and dwindling participation in the PLA. Last year the PLA nearly went extinct. Many thanks to Don Harper for stepping up to fill the vacant President position. This allowed the PLA to continue, but something had/has to change if the PLA is to continue existing. We had many conversations this past year about the mood of the Pine Lake community, what it would take to improve our community, and what is necessary to improve participation in the PLA. We came to realize that if we are to accomplish anything as an association, we first need to rebuild the community of Pine Lake. How can we discuss issues pertaining to our lake when we do not even know our neighbors and those with whom we share this beautiful lake? Hence the 2010 focus on building community.

This upcoming year is promising to be an exciting time for Pine Lake and the Pine Lake Association. We are going to be striving to bring some fresh and exciting additions to the atmosphere of Pine Lake. The 4th of July weekend will have an addition this year of a "cruise-in" car show in the parking lot of the Pine Lake diner on July 2nd. We are hoping to add a professional ski show to the weekend

of the 4th, although many of the logistics still have to be figured out. We as an association are going to try to bring back parties to various areas of the lake as a chance to meet our neighbors. Scott Cook is offering his DJ talents to all of us on July 3rd, and will be cruising Pine Lake with his floating sound system and it promises to be a motivating and patriotic warm-up for the evening firework show.

Lake 4 will be having a party May 22nd, and we hope that other lakes will follow suit. I will hopefully post a report and pics of the party on the Pine Lake Association facebook page for anyone interested. This has been a fun addition, thanks to Pete Seibert. Have any pics from the lake you want to share? Any information you want to get out to lake residents? Post them on facebook. There is a link from the PLA website too at www.pinelk.org

Does any of this excite you? Do you have more ideas you would like to share? Please join us June 19th for our annual PLA meeting and election of officers.

**CK&S 2nd Annual
Railfan Festival**

**Delton, Michigan
Sat, July 17th, 2010**

**Noon-
5pm**

Join us in the Barry Township Park as we preserve the history of the Chicago, Kalamazoo & Saginaw Railway that ran thru Delton from the 1890's to the 1930's. There are attractions for the whole family.

Sponsored by PIE, Inc.

Use Your Electronic Mail Box!

It's easy! Just send your email address to:

Lana Langone at joelanal@mei.net to start receiving your newsletter by email.

Convenient!

Just print what you want, refer back anytime.

We use the BCC function (blind copy), so all email addresses are not shared with all recipients. We will not share your email

address for any purpose other than getting news and communications from PLA out to you. We will not sell your email address. And remember ! Past issues of the PLA newsletter are available at the website: www.pinelk.org Just click on the Newsletters link.

You've signed up for email delivery but you're not getting your PLA Newsletter ?

Let us know.

Changed your email address lately? Don't forget to include the PLA in notifying of any changes.

Thanks!

Luscious Lake Recipes!

Hot Beets

Don't like hot beets? Me either! But I'll bet you'll like this tasty side dish that makes a colorful addition to a relish tray. One friend of mine keeps some in the refrigerator at all times to have them on hand. And—no cooking involved!

2 cans of sliced beets (drain)
1 Cup of sugar
1/4 Cup of cider vinegar
5 oz. jar of horseradish (in refrigerated section of the grocery store)

Still all together and chill for at least 1 hour. Serve or store.

Do you have a favorite recipe to share? We'd love to hear from you. Please send your recipe to: Luscious Lake Recipes, PLA, PO Box 3, Plainwell, MI 49080, or email to pjwarnez@mei.net

Wendy Conner & Nancy Whitney, Broker — Owners

- Both Wendy Conner began her Real Estate career in 1973 and Nancy Whitney in 1991 and they purchased the business in November of 2008. Through the years this office has continually evolved to keep up with changes in technology as well as the ever-changing laws and practices of the Real Estate business.
- Our dedicated Real Estate professionals working together make a powerful sales force. Through the years Cornell & Associates has maintained its position as one of the highest producing offices in the area.
- The outstanding performance of our office is based on our Corporate Missions, which is also a very effective philosophy for life: *'Honesty, Hard Work and Professionalism'*.
- Many companies have tried to imitate our success, but you just can't duplicate our people who are committed to serve you with honesty and integrity. We want you to be our customer **FOR LIFE!**
