

The PLA Needs YOU!

Scavenger Hunt Teams

According to the bylaws of the Pine Lake Association, we can have up to 25 area or point directors on the board. Currently there are three. One of our board's immediate goals is to encourage more residents to participate in the association. As noted on our home page, we are looking for ways to make our Pine Lake neighborhood a friendlier, more viable and tightly knit community. The directors will help us realize this goal by disseminating information to residents in their area and bringing any of their concerns to the board.

Please consider giving some of your time, this is one way that you can help make a difference.

The Pine Lake Association consists of volunteers. Everyone benefits from the personal time the volunteers give to our community and we thank those who donate their time and energy to make this a great place to live and play. The Independence Day fireworks and festivities, the Picnic, the Garage Sale, the buoy maintenance, and plenty of other activities ***only exist*** because we have such wonderful volunteers.
